NEWSLETTER JULY 2022

Teacher Orientation

A good teacher, gifted with the qualities of patience, attention, empathy and compassion, can get the best learning outcomes from students in a well oriented classroom. In pursuit of our Vision and Mission to make a difference, our Principal, Dr Padmajaa S Kutty conducted an Orientation for all our teachers on 4 July 2022. The objective of the Orientation was to help new teachers acclimate to the school in a smaller, more relaxed setting. It was also a platform for all teachers to rejuvenate, collaborate to share ideas and perspectives and to build bonds in creating a positive learning environment for all our students at MBIS.

Primary-Bastille Day

La France commémore la prise de la prison de Bastille à Paris le 14 Juillet 1789, un événement qui est devenu le début symbolique de la Révolution Française. In our Mission to Embrace Global Diversities, the students of the Primary celebrated Bastille Day on 14 July 2022. Smartly dressed in Blue, White, and Red, resonating the tricolour of the French National Flag, students paid tribute to France's Bastille Day. All the students enthusiastically participated in various activities like colouring of the flag, making of the Eiffel Tower with ice cream sticks, tuning in to famous French poems etc. It was an absolute joyful experience for the students to celebrate France's Bastille Day in school with their peers, having missed it for the last two years owing to the pandemic.

Secondary- Bastille Day- French Fest

As a part of our Mission to Embrace Global Diversities, French Fest in the Secondary was spread for over a month in July.

This was to commemorate the Bastille Day which falls on 14 July.

It comprised different activities that displayed not only the students' linguistics but also their application skills of the language.

The Secondary students participated in various group activities and games that enhanced their French Language skills.

The culmination of the French Fest was an awaited experience for students, as they participated in a quiz on France and French Culture. The enthusiasm created a healthy competitive atmosphere for the students. The students of Grade 12 brought the fest to a close with an intriguing comic drama along the theme of 'Confusion to the Fusion'.

Teacher Enrichment Program

HEADLINE

Idea 6-Headlines!

1. Give one card to each student and ask them to write a headline about themselves or a current event or current news (eg Pizza Night was a huge Success) tell them not to put their names. Allow them a minute or two.
2. After students finish their headlines, collect and shuffle the cards.
3. Pass out one card to each student .
4. Each child reads the headline and guesses who wrote it
5. If the guesser is correct ,he places the card in front of the headline writer. If not, the headline writer stands up and says "that's me" .Then the guesser places the card in front of the

Collaborate to Achieve Shared Goals for all our students- is one of the steps of our Mission.

An engaging teacher enrichment program was conducted on Friday, 15 July 2022 by Ms. Farzana Dohadwalla for the Pre Primary and Primary faculty of MBIS.

Through her immense experience in the field of education, Ms. Farzana enlightened the teachers on 'Welcome time with different ideas ' which would engage the learners and boost their confidence while enhancing their social skills.

We look forward to leaving our children with the message: 'Each day is a bright, bright and beautiful day'.

International Chess Day

Every year International Chess Day is celebrated on 20 July to commemorate one of the oldest and most popular games in history. Here's a peek into how MBIS celebrated International Chess Day! Students engaged in a battle of wits, challenging each other to use logic and intelligence to out-smart their opponents!

PARENTS' DAY

"Every home is a university and the parents are the teachers." —*Mahatma Gandhi*
Parents are the most precious gifts of God. They possess immense patience to bring up their children in the best possible ways. The primary students of MBIS paid gratitude towards their parents by making an affectionate greeting card for Parents Day.

World Nature Conservation Day

Primary - Our students pursued the Mission of 'Awareness to Conserve the Environment' on World Nature Conservation Day - 28 July 2022.

Our Primary students participated in activities such as Poster Making, Wall Hanging Reminders, Creating a Promise Tree. These activities motivated our students to spread the message of protecting the planet's biodiversity, thereby making our world a happier and a healthier place to live in for the future generation.

Secondary - Our Secondary Students - Grades 6 to 12 persevered to follow the Mission statement of Awareness to Conserve the Environment on World Nature Conservation Day - 28 July 2022. Reading and spreading awareness, discussions and deliberations, poster making were the key elements of the day.

Student Council Election

In the pursuit of our Vision to Empower Lives, developing students with Leadership skills is our major objective. The Student Council is a stepping stone for harnessing and enhancing Leadership Skills, Communication Skills, Management qualities and Discipline.

The Student Council formation was devised on the principle of **'by the students, of the students, for the students'**.

In view of this, the Student Council was enhanced for the AY 2022-23. The Student Council comprised 30 candidates along with 3 CAS representatives. The elections for the Student Council was conducted democratically on 29 July and consisted of a group of elected students of the school, representing from Grade 5 to Grade 12. Students across Grades 1 to 12 participated in the digital electoral process through the e-ballot. Grade 5 members represented the Junior Student Council and Grades 6 to 12 represented the Senior Student Council.

Overall it was a good learning experience for students whilst they campaigned for themselves to reach the hearts of the voters. Slogans and posters adorned the walls of the school. The announcement of results is scheduled on 1 August and the Investiture ceremony will take place on 18 August.

We expect the Student Council members to lead by example and thus be a role model to other students.

OUR PROUD ACHIEVERS

1) SOF OLYMPIAD

a) Devashri Gunaseelan Grade 6 has made MBIS proud by securing 8th International rank in SOF English Olympiad. She has received gifts worth Rs. 500 and a medal and certificate of distinction for the same.

b) Hazel D'cruz of Grade 3 has brought laurels to the school by securing Class rank 1 in SOF International General Knowledge Olympiad, SOF International English Olympiad, SOF National Science Olympiad and SOF International Mathematics Olympiad. She has received Gold Medals of Excellence and Certificate of School Excellence for the same.

2. MARRS SPELL BEE

Grade 3 Aadya Shrivastava has once again made all of us proud. She secured 5th rank in the International Championship of the MaRRS International Spelling Bee competition.

3. TRASHION PE FASHION

Creative and imaginative minds of MBIS demonstrated a burst of energy at Trashion Pe Fashion which focussed on bringing an understanding among the children about preserving the environment by reusing and recycling waste material. The event was also a platform to reach out to young,needy girls for creating an awareness of menstrual hygiene through Project Dignity.

Hazel D'Cruz-Grade 3 and Tamanna Vijayan -Grade 12 participated in this event and were appreciated for their style,confidence and empathy.
