CAMBRIDGE INTERNATIONAL A LEVELS:

A Levels is a two years' course comprising the following:

- Year 1: AS Level [Cambridge International Advanced Subsidiary Level]. This is equivalent to Grade 11
- Year 2: A2 [Cambridge International Advanced Level]. This is equivalent to Grade 12.

Students across 130 countries opt for this course and thousands of them pass out every year with Cambridge International AS and A levels.

BENEFITS OF AS and A LEVELS:

- Internationally recognised qualification
- Valued in India and abroad
- Acknowledged as an entry qualification by Universities of India as well as Universities worldwide.
- Recognised as a 10+2 qualification by the Association of Indian Universities [AIU] into all professional and undergraduate courses
- Provides variety and flexible course of study
- Globally generalised curriculum with local relevance
- Encourages a global outlook and a lifelong passion for learning

GRADING AND ASSESSMENT:

- Linear structure with exams at the end of both programmes-AS and A level
- Each subject taken at AS and A level receives a separate grade
- A* to E grading in the Certification of AS Level
- A* to E grading in the Certification of A Level
- A* grade is awarded for the highest level of achievement whereas E indicates the minimum required performance

MBIS OFFERS THE *MARCH SERIES OF EXAMS FOR 'A' LEVELS WHICH PROVIDES ENOUGH TIME TO STUDENTS FOR UNIVERSITY EXAM PREPARATIONS.

*Computer Science is offered only in the May Series by Cambridge

CAMBRIDGE LEARNER ATTRIBUTES

Encouraging Words

FROM OUR STUDENTS

Coming from an ICSE background, AS Level was very new and different. The teachers made sure that my transition to this Board was smooth. They helped me throughout.

Vanessa D'Souza

It has been a very pleasant experience especially since I transferred mid term from another school and country. I have new friends. AS is a demanding curriculum as well as interesting. It will be useful for my career ahead.

Elizaveta Chekushina

The overall experience has been amazing. Learning has happened in a friendly environment. I have been pushed academically to go beyond my comfort zone so as to help me achieve my goals.

Khushi Tank

The AS Level curriculum offers in-depth learning of each subject. The facilities are good at MBIS, the teaching faculty are updated and welcoming. The overall experience has helped me create amazing memories.

Priyanshu Ranjan

MBIS offers a rigorous AS Level curriculum with competent and skilled teachers always available to assist students.

Vansh Agarwal

AS level curriculum offers varied subjects. At MBIS we have really helpful and amazing teachers who are always available.

Jash Parekh

There has been new learning at MBIS, academically as well as socially. The teachers, Co-ordinator and the Principal are extremely helpful and amiable. They are a constant support.

Dhruv Rathod

I have had amongst the best experiences at MBIS. The teachers are well read and updated. They are open to discussions. The school provides good facilities.

Saanvi Jadhav

My experience at MBIS has indeed been an exploration in terms of my subject choice and orientation towards understanding the AS Levels curriculum criteria. I have had an insight into my further plans that has helped me focus deeper into understanding my strengths and weaknesses.
